

KEYMACRO sets the key to start the application. The application checks and sets the current system settings. It updates the software list, the current software settings and the software list. Internet: The application is Internet ready and can be used as a client or as a server. The Client is an application that can be used on different platforms. The server is a console application. For technical reasons, you can use the "Source code" of the client, but not the server. Please consult the official website for all relevant details and instructions. INSTALLATION: The installer can be used to install the application on Microsoft Windows. It creates an uninstaller for a clean and easy removal of the software. Configuration: Please read and follow the instructions on the official website. In case you have problems, please contact the support team. A tutorial is available on the official website. Disclaimer: This software is free. If you decide to use it, the following applies: ❶ This software does not contain any viruses. ❷ You may use this software free of charge, in any way you like. ❸ You may copy this software. ❹ You can not redistribute it. ❺ You can not sell it. ❻ You can not give it away. ❼ You can not include any parts of the program into commercial products. ❽ You can not include any parts of the program into other products. ❾ You can not use this software as part of a product, except for the parts you needed. ❿ You may include the program in your own programs or commercial products. However, you must provide some link to the official website. This link can be found at the bottom of each screen. The main website is: www.itjpeg.com The latest version is always available for download at the bottom of each screen. Contact Information: The support team is available during office hours and provides the necessary help to solve problems. Support mail: itjpeg@shapewave.com Itjpeg@e.mail.shapewave.com The customer service number is +41 722 373 065 or +41 58 186 43 10 By purchasing this program, you are agreeing to our Terms of Service Agreement. Do you want to continue?Izvor: N1 " 45cee15e9a
