Plot The book begins in the present day with a character by the name of Rhona Dromgoole, an antiquarian whose work focuses on the history of the twentieth century. She is researching the almost forgotten Great War when she learns that a murderer and traitor is being held on the same island she has been researching. The killer was sentenced to death years ago. She decides to stay on the island and witness the execution. Rhona is soon drawn into events that lead her to a secret organization known as the Stone of Chüdumuck. The organization is composed of the Luddites, those who have
