November 23, 2013 - I don't understand anything about activating Studio 5000. I replaced all the files that are inside the Crack Studio 5000 Logix.rar, but this" FUNCTION ... NOT ACTIVE: Unable to get value ". It might be something else with my PC. Could it be something else on my PC that caused this issue? Can anyone help me with this problem? I can't solve it myself, I've just been doing this for some time. I searched the internet but didn't find anything. I have been using this program for over half a year now. I also tried to use this on my other programs like AutoCAD R14 and Upgrade of Photoshop CS3
