UltraISO Crack is an amazing software that is used to create, edit, burn, and compress ISO, JOLIET, and other CD/DVD image files. UltraISO Crack is an amazing software that is used to create, edit, burn, and compress ISO, JOLIET, and other CD/DVD image files. The present invention relates to an optical pickup apparatus, optical disc reproducing apparatus and optical disc recording apparatus for performing recording and/or reproduction for an optical disc with laser beams and more particularly to an optical pickup apparatus, optical disc reproducing apparatus and optical disc recording apparatus for moving an objective lens of a focusing system to an optical axis of an optical system for maintaining a laser spot to be correctly focused on a signal recording plane of an optical disc. Optical pickup apparatus, optical disc reproducing apparatus and optical disc recording apparatus have been used for optical recording and/or reproducing apparatus for optical disc such as compact disc (CD), digital video disc (DVD) or high density disc (HD-DVD). These optical recording and/or reproducing apparatus (hereinafter referred to as an optical disc apparatus) can perform recording and/or reproduction for an optical disc provided that a laser beam from an optical pickup is correctly focused on a signal recording plane of the optical disc. Normally, a focusing system in an optical pickup system is provided by an objective
