You can listen to radio communications (Voice chat between drivers and race engineers, garage radio, pit radio and all race-related radio) on the audio screen display. For instance, if you want to listen to the race on the radio, you would push the radio button and then select the radio for your language (Italian, English, German, etc). Other features include: Stability and performance improvements Enhanced 3D graphics (new textures and lighting effects) Audio (music and voice chat) Remote car camera / race cam Antenna and radio problems If you've played for a while and have gotten a decent amount of weapons, you'll find that there isn't really anything to do. There is a racing mode, but the tracks aren't that exciting. If you play it for about an hour or two, you'll probably be bored by it. It is a good game overall. It's just not very fun. You don't have a choice in who you play as. You aren't d0c515b9f4
