To be considered, you need to have a current offer at the University of Vermont ( ). I'm looking for a part-time entry-level position for an academic research firm. I have spent the last year at a non-profit that does translational research, but am looking for something new, challenging, and to-the-point. I'm not a huge problem-solver, but am able to keep focus and be detail-oriented. I would also like to hear about any other possible job opportunities in the area.
